

#LawsForPaws

Writing to your MP is a great way to support the **#LawsForPaws** campaign, and it's easy! Writing a letter is probably best as it provides a written record to be referred to later. You can:

Write a letter to your MP at:

House of Commons, London, SW1A 0AA

Email them using contact details found here:

<https://members.parliament.uk/members/Commons>

-Here's an example of what you could write, to highlight the ongoing issue with dog theft and what could be done to help.

"Over the past year there has been a significant increase in the number of dog thefts up and down the country and not enough is being done to deter would-be thieves. Dogs are members of our families, not property, and I think dog thieves should face tougher sentences that are more in line with the hurt they cause."

Make sure to personalise your message and always include your address so they know you live in their constituency.
