

K9 Nation Marketplace

How To: Manage a Business

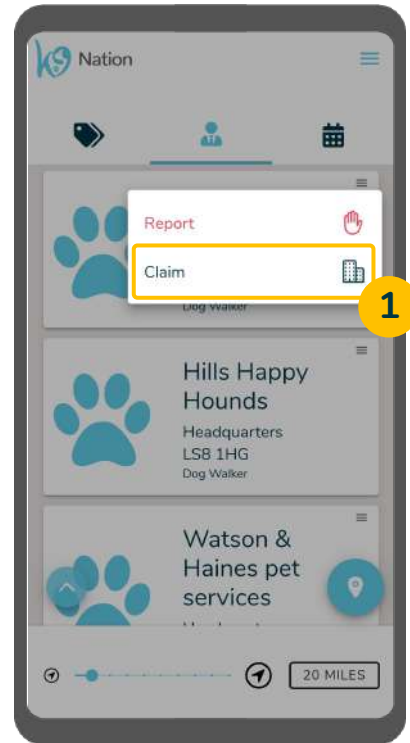

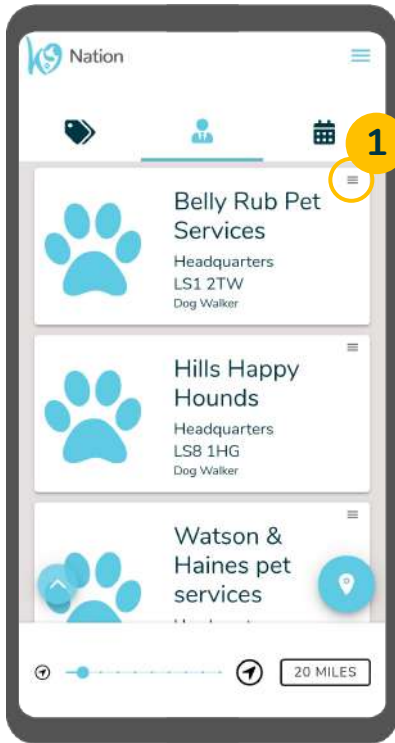

Your business is already on the K9 Marketplace. Find out how to claim it.

K9 Nation Marketplace

Manage a Business

Login to the K9 Nation App as a user and find your business in the K9 Marketplace

1. Once you've found your business in the K9 Marketplace, click on the option menu for the business and select "Claim" from the dropdown.

We will automatically send an email to the main email address for the business, to help us verify your identity as the business owner and to keep your business safe from being managed by anyone else.

The email contains a link to the marketplace business portal, where you can access, and manage, your business listing and add extra information to share with our community.

If you don't receive your email, or you've recently changed your main business email address, please get in touch with the K9 team directly at hello@k9nation.dog or via the chat function on our website.
